Higher Education Emergency Relief Fund II CRRSAA

The Higher Education Emergency Relief Fund II (HEERF II) was authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) to provide funding to proprietary institutions for emergency grants to students to cover any component of the cost of attendance or for emergency costs which arise as a result of the Coronavirus.

MT Training Center received \$200,146 in funding to assist students with emergency grants from HEERF II CRRSAA Awards.

The total amount of HEERF funds distributed this quarter to students under Section 18004(a)(1) of the CARES Act as of September 30, 2021 is \$29,297.

The estimated total number of students at the institution eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants under Section 18004(a)(1) of the CARES Act equals 128.

The total number of students who have received an Emergency Financial Aid Grant under Section 18004(a)(1) of the CARES Act as of September 30, 2021 is 22.

The following guidelines have been developed for distribution of HEERF II funding:
