NOTICE OF AVAILABILITY OF INSTITUTIONAL AND FINANCIAL AID INFORMATION

Student applicants may view accreditation, eligibility, and certification documents upon request. Accreditation and state license information may be viewed in the reception area of the School. Department of Education eligibility and certification letter may be viewed upon request to the Director of the School.

The information included within this publication is available to students and prospective students by visiting the Schools website at www.mttrainingcenter.org and downloading a copy or by requesting a printed version through the School’s Admissions Office. Students, prospective students, and parents may also make an appointment with the School’s Financial Aid Office at 972-262-5395.

Contact Information

MT Training Center has designated individuals to assist prospective and enrolled students in obtaining the institutional or financial aid information required to be disclosed under HEA Sec. 485(a)(1), Sec. 485(f), [Sec. 485(h)], and Sec. 485(j).

ACCREDITATION AND LICENSURE

Accreditation

MT Training Center, hereby referred to as MTTC, is accredited by the Council on Occupational Education – COE.

Council on Occupational Education
7840 Roswell Road, Bldg. 300, Suite 325
Atlanta, GA 30350
(800) 917-2081
Fax (770) 396-3790
www.council.org

Licensure

MT Training Center is approved and regulated by the Texas Workforce Commission (TWC) Career Schools and Colleges Section.

Proprietary Schools Section
Texas Workforce Commission
101 E 15th Street, Austin, Texas 78778-0001
Telephone Number: (512) 936-3100
Complaint Hotline: 800-252-3642

MT Training Center is approved to participate in the Federal Title IV, HEA Student Financial Assistance programs as a Proprietary Institution of Higher Education by the U.S. Department of Education. Current programs approved for Federal Title IV, HEA Financial Assistance are:

- Administrative Assistant
- Advanced CDL Training for the Entrepreneur
- Combination Welding
- Computerized Accounting Program
- Computer Numerical Controller (CNC) Machinist Program
- Gunsmithing

MT Training Center is approved by the Texas Veterans Commission. Current programs approved for Veterans' training are:

- Administrative Assistant
- Advanced CDL Training for the Entrepreneur
- Business Office Specialist
- Combination Welding
- Gunsmithing
- Computer Numerical Control (CNC) Machinist
- Computerized Accounting
- Medical Front Office
- Truck Driving

Statement of Equity

The MT Training Center is open to all candidates without regard to race, color, nationality, national origin, religion, creed, age, sex, sexual orientation, gender, gender identity, disability, or marital status.

STUDENT FINANCIAL INFORMATION

Student Financial Aid Information

The purpose of student financial aid is to provide assistance to students who, without financial aid, would be unable to attend.

Need-based and non-need based financial assistance programs

There are many different types of aid available. Some of these are grants, loans, scholarships, and Veterans Benefits.

Federal Pell Grant (PELL)

Pell grants are the foundation of federal student financial assistance to which aid from other federal and nonfederal sources might be added. These grants are generally awarded to undergraduate students based upon financial eligibility determined by your Free Application for Federal Student Aid (www.fafsa.ed.gov). The amount of your Federal Pell Grant depends on your cost of attendance, expected family contribution, enrollment status (full or part time) and whether you attend for a full academic year or less. The award amounts can change yearly. Unlike loans, grants are not repaid unless, for example, you withdraw from school prior to the planned program completion date. For more information, visit www.studentaid.ed.gov. To become eligible and to maintain eligibility, a student must be enrolled and meet or exceed Satisfactory Academic Progress (SAP) including attendance minimums. *See section titled Satisfactory Academic Progress*

Iraq and Afghanistan Service Grant

A student whose parent or guardian was a member of the U.S. Armed Forces and died as a result of service performed in Iraq or Afghanistan after September 11, 2001 may be eligible to receive the Iraq and Afghanistan Service Grant. Additional student eligibility requirements include:

- Must be ineligible for Federal Pell Grant due only to having less financial need than is required to receive Pell funds, and
- Be under 24 years old, or
- Enrolled in college at least part-time at the time of the parent's or guardian's death.

The grant award is equal to the amount of a maximum Pell Grant for the award year, not to exceed the cost of attendance for the award year.

Federal Direct Loans

Student loans, unlike grants, are borrowed money (monies) that must be repaid with interest. Loans made through this program are referred to as Direct Loans. Eligible students and parents borrow directly from the U.S. Department of Education. For more information, visit www.studentaid.gov.

Direct Subsidized Loan

A student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education pays the interest while you are in school at least half-time and for the first six months after you leave school (grace period). The amount of the loan cannot exceed a student's financial need.

Direct Unsubsidized Loan

A student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education does not pay interest on subsidized loans. A student is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it is paid in full. The fixed interest rate of 5.05 percent can be paid while attending school, during a period of deferment or forbearance or it can be accrued and the interest added to the principle amount of the loan.

Direct PLUS Loans

Parents of dependent students can borrow from the PLUS Loan program. The terms and conditions of this type of loan include a requirement that the applicant not have an adverse credit history, a repayment period that begins on the date of the last disbursement of the loan and a fixed interest rate of 7.6 percent for the Direct Loan. For more information, visit www.studentaid.gov.

Fresh Start an Ability to Benefit Provision

- Effective with the 2012-2013 award year, new students who do not have a high school diploma, or an equivalent such as a GED, and who did not complete secondary school in a home school setting are not eligible for Title IV, HEA program funds. Such students can *no* longer become eligible by passing an approved "Ability-to-Benefit" exam or by satisfactorily completing at least six credit hours or 225 clock hours of college work that is applicable to a degree or certificate offered by the student's postsecondary institution.
- Students who were enrolled in an eligible educational program of study before July 1, 2012 may continue to be considered Title IV, HEA program funding eligible under either the ATB test or credit hour standards.

- For students who are not seeking Federal Title IV, HEA funding, MT Training Center adheres to the Texas Workforce Commission Career Schools and Colleges regulations and the Council on Occupational Education guidelines on admittance of students on an “Ability to Benefit” (ATB) basis. To be eligible for admission on an ATB basis, an applicant must be able to read and write English and;
- Be beyond the compulsory school attendance age and have the ability to benefit from the occupational education offered by the School.
- Must obtain a score of 200 (Verbal) and 210 (Quantitative) on the Wonderlic Basic Skills Exam, which is approved by the U.S. Department of Education. These passing scores are dictated by the U.S. Department of Education and the test manufacturer. If an applicant does not obtain a satisfactory score, the School allows the test to be retaken one time, after 30 days of the original test date. This examination is administered by an independent protector, not affiliated with the School and by appointment only.
- Admission for ATB students is based on achievement of the required passing test scores in conjunction with the School’s admission policies.

Workforce Innovation and Opportunity Act - Texas

The Workforce Innovation and Opportunity Act (WIOA) combines federally funded job training programs in Texas into a “workforce development” system that was developed to consolidate, coordinate, and improve employment, training, literacy, and vocational rehabilitation programs. Services are provided through the state’s “one-stop” system of workforce investment and education services for adults, dislocated workers, and youth. www.csc.twc.state.tx.us.

Core Services available for adults age 18 years or older:

- Job search and placement assistance (including career counseling)
- Labor market information (identifies job vacancies; skills needed for in-demand jobs; and local, regional, and national employment trends)
- Initial assessment of skills and needs
- Information about and cost for local training providers
- Follow-up services to help customers keep their jobs once they are placed

Intensive Services (available to eligible adults who have been unable to find work through core services, or needed additional training to reach self-sufficiency):

- Comprehensive assessments
- Development of individual employment plans
- Group and individual counseling
- Case management

Dislocated worker and youth services (WIOA Program)

To be eligible for the dislocated worker program, a person must have received a lay-off notice or have been laid off due to a company closure or mass layoff. Workers may also be eligible if they are currently unemployed and are unlikely to return to their prior occupation due to economic conditions in that industry.

To be eligible for the youth program, a person must be between the ages of 14 and 21, have low income and have a substantial barrier to employment such as: deficient in basic literacy skills, school dropout, homeless, a runaway or a foster child, pregnant or parenting, an offender, or be an individual who requires additional assistance to complete an educational program, or to secure and hold employment.

Services include:

- An objective assessment, including review of academic and occupational skill levels and service needs.
- An individual service strategy, including an age-appropriate career goal.
- Preparation for postsecondary educational opportunities.
- Linkages between academic and occupational learning.

Texas Department of Assistive and Rehabilitative Services (DARS)

Provides programs and services to Texans with disabilities. Services provided include disability determination services, rehabilitation services, blind services, and deaf and hard of hearing services. For more information, please visit DARS.Inquiries@dars.state.tx.us or 800-628-5115.

Texas Veterans Commission Benefits

The Texas Veterans Commission administers a variety of education benefit programs. Many veterans and active duty personnel can qualify for more than one education benefits program, including the:

- The Post-9/11 GI Bill: www.gibill.va.gov/benefits/post_911_gibill/index.html
- Montgomery GI Bill – Active Duty (MGIB-AD):
www.gibill.va.gov/benefits/montgomery_gibill/active_duty.html
- Montgomery GI Bill – Selected Reserve (MGIB-SR):
www.gibill.va.gov/benefits/montgomery_gibill/selected_reserve.html
- Reserve Educational Assistance Program (REAP):
www.gibill.va.gov/benefits/other_programs/reap.html
- Veterans Educational Assistance Program (VEAP):
www.gibill.va.gov/benefits/other_programs/veap.html
- Educational Assistance Test Program (Section 901):
www.gibill.va.gov/benefits/other_programs/educational_assistance_test_program.html
- Survivors’ and Dependents’ Educational Assistance Program (DEA):
www.gibill.va.gov/benefits/otehr_programs/dea.html
- National Call to Service Program:
www.gibill.va.gov/benefits/other_programs/national_call_to_service_program.html
- Veterans Retraining Assistance Program:
www.gibill.va.gov/benefits/other_programs/vrap.html

Other Programs:

- Reserve Educational Assistance (REAP)
- Survivors & Dependents Assistance (DEA)
- Veterans Educational Assistance Program (VEAP)
- Educational Assistance Test Program
- National Call to Service Program
- Veterans Retraining Assistance Program

Veterans need to be aware of a few special circumstances when completing the Free Application for Federal Student Aid (FAFSA). These circumstances include the student aid treatment of veteran's education benefits and the definition of a veteran for student aid purposes.

- www.finaid.org/military/vedbenefits.phtml are usually treated as resources, not income, for federal student aid purposes. There are, however, a few exceptions.
- www.finaid.org/military/combatpay.phtml can be a source of confusion on the FAFSA.
- www.finaid.org/military/veteranstatus.phtml is not necessarily the same as veteran status for VA purposes.

MT Training Center is approved to train veterans. Any student interested in this type of benefit must verify with the school's representative that the school is eligible for benefits. You can find more information on the web by visiting www.gibill.va.gov.

Federal Benefits for Veterans and Dependents

Updated annually by the Department of Veterans Affairs (VA), the publication *Federal Benefits for Veterans and Dependents* contains information about education and training benefits available to veterans and eligible dependents. Please visit www.tvc.texas.gov for more information [VA Pamphlet 80-02-1, 114 pages, Stock Number 051-000-00225-3.]

The booklet may be obtained free of charge from VA hospitals or regional offices. To request a copy, visit your nearest VA facility, call 1-800-827-1000 or write to Department of Veterans Affairs, Office of Public Affairs (80D), 810 Vermont Avenue, NW, Washington, DC 20420. It is also available for download free in PDF format from the VA's web site at www.tvc.texas.gov.

The publication can also be purchased for 45.00 (\$6.25, international customers) from the U.S. Government Printing Office, Superintendent of Documents, PO Box 371954, Pittsburgh, PA 15250-7954.

Institutional Student Financial Assistance Program

There are special situations whereby students may participate in an Institutional Student Financial Assistance Program through the institution and administered by TFC Tuition Financing which provides private financing plans for students. More information can be provided by a school representative or visiting www.tfctuition.com or by calling 800-832-5626.

Terms and Conditions of Title IV, HEA Loans

General Terms and Conditions

General Terms and Conditions

- Be a U.S. citizen, eligible non-citizen, national, or permanent resident of the U.S.A.
- Show financial need (based upon an analysis of you and your family's income and assets).
- Have a high school diploma or General Education Development (GED) Certificate (or enroll in an eligible Career Pathways program).
- Have a valid Social Security number.
- Be enrolled in a Title IV participating institution and attending on a least a half-time basis.
- Make Satisfactory Progress.
- Males must register (have registered) with the Selective Service.
- Fully complete a Free Application for Federal Student Aid and any requested additional information.

- Sign a statement of educational purpose and a certification statement on overpayment and default (found on the Free Application for Federal Student Aid)
- Not be delinquent; in default; or owe refund of an overpayment on any grant aid.

How do I apply?

Applications for federal aid programs are made by completing a Free Application for Federal Student Aid (FAFSA) – www.fafsa.ed.gov – which collects your family’s income and asset information. If you have any difficulty in accessing or understanding the FAFSA, you may make an appointment with the school’s Financial Aid Office.

Note: It is important to know your deadlines. The Department of Education may request verification of the information you provide on the FAFSA. If you are selected for verification, the Financial Aid Office will notify you of additional documentation that you will need to provide in order for your application to be processed.

Post-FAFSA

1. Your FAFSA will be analyzed and assigned an Eligibility Index Number which indicates your Estimated Family Contribution (EFC).
2. You will receive a Student Aid Report (SAR).
3. An Institution Student Information Record (ISIR) will be sent to the schools you selected.

Eligibility Index Number

Financial need is determined by an annual, congressionally approved formula applied for all financial aid applicants. To determine financial need, an index is created based upon facts about you and your family’s income and assets; the size of your family; number of family members attending post-secondary school(s); and any unusual circumstances or financial hardships specific to you. This index is used to determine your financial aid assistance in meeting the cost of attending a post-secondary institution.

Determining Financial Need

- Financial need = Cost of Going to School less your Expected Family Contribution.
- Cost of Going to School is tuition, fees, books, supplies, equipment, and other educational costs.
- Expected Family Contribution is the amount that is determined to be your family’s contribution to your education.

Educational Costs

Defining Estimated Cost of Attendance

Cost of Attendance (COA) is an average figure to determine your financial aid eligibility. It includes estimates of standard expenses such as tuition, fees, books, supplies, room, board, and personal expenses such as unreimbursed medical/dental expenses, clothing, and transportation.

Criteria for Selecting Recipients and Determining Amount of Award

Expected Family Contribution

The Expected Family Contribution (EFC) is a measure of your family’s financial strength and is calculated according to a formula established by law. Your family’s income, family size, and the number of individuals in your family who will attend college during the year are all considered.

The information you report on your Free Application for Federal Student Aid (FASA) or your FAFSA4caster is used to calculate your EFC. Schools use EFC to determine your federal student aid eligibility and financial aid award.

Determining Independent Student Status

If you can answer **No** to **all** of the following questions, you are considered a dependent student on the Free Application for Federal Student Aid (FAFSA):

- Were you born before January 1, 1995?
- As of today are you married?
- At the beginning of the 2018-2019 school year, will you be working on a master's or doctorate program (such as an MA, MBA, MD, JD, PhD, EdD, or graduate certificate, etc)?
- Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
- Are you a veteran of the U.S. Armed Forces?
- Do you have children who will receive more than half of their support from you between July 1, 2018 and June 30, 2019?
- Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2019?
- At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
- As determined by a court in your state of legal residence, are you or were you an emancipated minor?
- As determined by a court in your state of legal residence, are you or were you in legal guardianship?
- At any time on or after July 1, 2017, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless?
- At any time on or after July 1, 2017, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless?
- At any time on or after July 1, 2017, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

If you are considered a dependent student, your parents must answer the parental questions on the FAFSA. If you can answer **Yes** to **any** of the questions above, you are considered an independent student and information about your parents is not required on the FAFSA.

If you have a special circumstance that prevents you from providing parental information you **may** be able to submit your FAFSA. However, your FAFSA will be incomplete. You must contact the financial aid office at your school and provide them with documentation to verify your situation.

Student Eligibility Requirements

The school does not discriminate in its employment, admission, instruction, or graduation policies based on sex, age, race, color, creed, religion, nationality, ethnic origin, gender, gender identity or disability. The institution does not recruit students already attending or admitted to another school offering similar programs of study. The school requires that each student enrolling in a program of study:

1. Schedule an interview with the Admissions department; and
2. Complete an admission application; and
3. Take a tour of the School's facility; and
4. Submit a completed enrollment agreement; and
5. Provide proof of secondary education such as a diploma, GED certificate, a transcript of secondary school completion, or a state certification of home-school completion, if it is a requirement of the program.

**Note: Other admission requirements may be applicable for certain programs. See the School's Catalog – Admission Requirements or a School representative for more information.*

Frequency of Disbursements

When financial aid is awarded, it is awarded for the academic year. The financial aid award is required to be split equally between two parts of the academic year. Financial aid is paid to a student's account when the following conditions are met. Once determined, Credit Balances are issued by check to the student's address on file and mailed via USPS.

1. The student is determined to be eligible and is awarded.
2. Loan funds have been received from the lender.
3. The student has achieved the appropriate number of hours.
4. The student is determined to be maintaining Satisfactory Academic Progress.
5. The disbursement date has been reached.

We continue to release funds throughout the student's program of study to the student's account as students are awarded and as funds arrive from the lenders.

Rights and Responsibilities of Students Receiving Title IV, HEA Program Funds

Students receiving financial aid have the right to:

- Accept or decline any of your financial aid award(s).
- Know what financial assistance is available, including all federal, state, and institutional aid programs.
- Know the procedures and deadlines for submitting applications for each financial aid program (including federal, state, and institutional aid programs).
- Know how your financial aid awards were calculated, the criteria to receive each award, and how the funds will be distributed or disbursed.
- Know the school policy on enrollment, attendance and good academic standing.
- Seek financial aid counseling.
- Know the consequences of defaulting on a student loan.
- Know that the information you give the Student Financial Aid Office will be treated confidentially as mandated by the Family Educational Rights and Privacy Act (FERPA).
- Know information regarding a loan servicer, interest rate, the total amount to be repaid, deferment options, repayment procedures, and the length of time you have to repay the loan, and when repayment begins.
- Submit a request to review extenuating circumstances, requesting reconsideration of your financial aid eligibility if you or your family's financial conditions change.

- Submit an Academic Progress Appeal if you do not meet the Standards of Satisfactory Academic Progress.
- Know the MT Training Center’s refund policy and the Federal Return to Title IV, HEA policies.

Note: Financial aid administrators are given the authority (by the Higher Education Act of 1965) to use professional judgment in reviewing requests by students to consider special or extenuating circumstances that are not reflected on the FAFSA or included in the standard Cost of Attendance. Revision of a student’s estimated Cost of Attendance to include educational costs not already incorporated Circumstances not allowed by Federal regulation to be considered include vacation expenses, tithing, credit card expenses/debt, and standard living expenses such as rent, utilities, and allowances.

Responsibilities

Students receiving financial aid are responsible for:

- Completing all applications and forms accurately and on-time.
- Re-applying for financial aid each year.
- Providing requested documentation and information in a timely manner and keeping copies for your own records.
- Reading and understanding all materials sent to you.

SATISFACTORY ACADEMIC PROGRESS

Satisfactory Academic Progress standards apply to all students of MT Training Center whether they are full-time or part-time and for all programs offered at the School. All students, including those who wish to qualify for financial aid will be assessed on criteria including minimum grade point average of 2.0 or a “C” (qualitative standards), minimum clock hour completion rate of 80% (quantitative standards), and certificate of completion within a maximum time frame of 150% of the scheduled clock hours (pace of completion standards).

“Eligible for financial aid” means that a student meets the standards of the *Satisfactory Academic Progress Policy* for Financial Aid. A student must also meet all other financial aid requirements in order to receive financial aid.

Each student must make Satisfactory Academic Progress toward completing his/her program of study, regardless of the student’s course load or whether or not the student receives financial aid. MT Training Center’s evaluation point is at the end of each payment period. These standards are applied uniformly to all MT Training Center’s students. If a student meets these standards, he/she is considered to be making Satisfactory Academic Progress and is eligible to be considered for financial aid. If a student does not meet these standards during any Academic Progress Evaluation Point, he/she is considered *not* to be making Satisfactory Academic Progress.

Attendance Standard

Students must attend at least 90% of the hours they are scheduled to attend based on the student’s enrollment agreement. A student’s attendance pace is determined by the following formula:

$$\frac{\text{Cumulative clock hours of actual attendance as of the evaluation date}}{\text{Cumulative clock hours of scheduled attendance as of the evaluation date}}$$

For example, a student who is enrolled for 30 clock hours per week for 20 weeks would have a cumulative scheduled attendance of 600 clock hours. If the student attended 550 of the 600 scheduled hours, his/her attendance pace would be 91.6% (550/600) and would be meeting the attendance requirement of this policy.

Academic Grading System

All classroom work and lab/shop practical work, including exams are graded using the following scale:

Grade	GPA	Description	Scale %
A	4.0	Excellent	90-100
B	3.0	Above Average	80-89
C	2.0	Satisfactory	70-79
D	1.0	Unsatisfactory	60-69
F	0.0	Failing	0-69

Students must maintain an academic average of at least 70% or higher on a cumulative basis as of the evaluation date to meet the academic standards of this policy and be considered as making satisfactory academic progress.

Academic Progress Evaluation Point

Students are routinely evaluated at the conclusion of each payment period. This evaluation includes the student's Overall Cumulative Grade Point Average (CGPA) as well as the student's Pace of Completion (see *Pace of Completion* section below). MT Training Center requires the student to maintain at least a CGPA of 2.0 (C average) at each evaluation period to be considered making Satisfactory Academic Progress. *A student shall be considered not to be making Satisfactory Academic Progress if:*

- The student's overall cumulative grade point average (CGPA) is less than the required 2.0 for that evaluation period.
- The student has not successfully completed ninety percent (90%) of the required number of the academic clock hours that were scheduled up to the Evaluation Point.

Student Services

Student services are available to all MT Training Center students, graduates, and non-graduate completers who enrolled and completed the necessary skills needed to transition into employment. The students will be provided employment placement services through a joint effort between the Student Placement Services Department, administrative staff, instructors, and director.

MT Training Center instructors will monitor student's progress throughout classroom training and provide feedback and career advice. MT Training Center instructors will refer students to career and/or academic counseling with the Student Placement Services Department to help the student maintain satisfactory progress to secure placement.

The Placement Services Department meets with each student on an individual basis to determine specific services needed and to develop customized employment placement services to meet the student's individual needs. The services include, but are not limited to, completing an employment application, reviewing employment resume, mock interview, interview preparation, employment referral and follow-up.

Maximum Time Frame for Completion

The Maximum Time Frame for Completion for each program of study is 150% of the academic clock hours required for that program as outlined in the School's Catalog.

Example: If the program of study consists of 900 academic clock hours, the student's Maximum Time Frame for Completion is 1350 academic clock hours ($900 + 50\% [450] = 1350$). Each clock hour in a program of study that is "attempted" by a student is counted toward the student's Maximum Time Frame for Completion for that program.

An academic clock hour is considered to be “attempted” if the student receives any of the following grades from the School: “A”, “B”, “C”, “D”, “F”, “I”, or “W”. For example, if a student takes a course that requires 120 clock hours within a particular program of study and receives a grade of “W” (Withdraw) and the student retakes the same course and earns a grade of “B”, the student will have attempted 240 clock hours with respect to that particular course. The student’s Maximum Time Frame for Completion for his or her program of study will include the clock hours attempted with respect to each course that the student took at the School when the student:

- Was enrolled in that program of study; **and**
- Was enrolled in a different program of study, if
 - The subject matter of that course is substantially the same as any course in his or her current program of study **or**
 - That course counts towards or satisfies any of the coursework requirements of his or her current program of study (whether core, general education, general studies, technical basic, etc.)

A student is considered not to be making Satisfactory Academic Progress and may be terminated from his or her program of study if, at any time, the School determines that the student is unable to graduate from his or her program of study without exceeding the student’s Maximum Time Frame for Completion for that program of study.

Satisfactory Academic Progress Warning

Students who fail to meet Satisfactory Academic Progress (SAP) as of an evaluation date will be placed on Satisfactory Academic Progress Warning Status. This period will last up until the next evaluation period. Students must be meeting all Satisfactory Academic measures at that time. Student federal financial aid may be affected by not meeting these measures. Students who regain SAP at the next reporting period are considered meeting SAP and will have regained full eligibility; those who are not making SAP may not be eligible to receive Title IV, HEA funds.

Incompletes and Repeats

If the student receives a grade of “A”, “B”, “C”, or “Complete”, with respect to any course, the student will have successfully completed that particular course. If the student does not successfully complete the required work or clock hours, he/she will receive an “I” grade (Incomplete). If the student receives an “I” and does not successfully complete the required work to remove the “I” grade from his or her record within two (2) weeks following the payment period in which the “I” grade was received, the student will receive the otherwise earned letter grade “F”. If any student voluntarily withdraws from a course, he/she will receive a grade of “W” (Withdraw) and will have to follow MTTC’s Readmission Policy (see *Readmission* below). Any student who does not successfully complete a course included in his or her program of study must repeat and successfully complete that course prior to: (a) taking any course with respect to which the failed course is a prerequisite; and (b) graduation. Any student who successfully completes a course may request in writing for permission from the School to repeat that course. If a course is repeated, the grade earned for repeating the course will replace the previous grade earned in determining the student’s Overall Cumulative Grade Point Average (CGPA) in the student’s program of study and whether the student has successfully completed the course. All grades earned for all courses the student attempts will, however, remain on the student’s transcript.

Readmission

All students who have previously withdrawn from classes and apply for readmission will be subject to readmission determinations by the School at its discretion. The School’s decision will be final and binding on the student. The School is *not* obligated to readmit any student. If readmission is granted, MT Training Center limits student readmission into the same program of study or a different program of study to *one* (1) readmission. As part of the School’s determination to readmit any student, the School will consider:

- Whether the student was making Satisfactory Academic Progress at the last Evaluation Point that the student was enrolled in a program of study.

- Reason(s) the student withdrew or was terminated from a program of study.
- Whether the student possesses the motivation, desire or academic ability to satisfactorily progress academically through and graduate from that program of study, as determined by the School.

If the student was not making Satisfactory Academic Progress in his or her program of study at the last Evaluation Point, the student will *not* be readmitted into:

- (a) a different program of study that is at a different credential level; or
- (b) the same program of study or a different program of study that is at the same credential level, *unless*;
 - The student appeals the School’s determination of Unsatisfactory Academic Progress in writing to the Chief Administrative Officer (as provided below in the Appeal section);
 - The Chief Administrative Officer grants the student’s appeal; *and*
 - The student satisfies all of the conditions specified in the appeal.

Upon the School’s acceptance of the appeal, the student will be readmitted on an Academic Probation status into the same program of study or a different program of study that is at the same credential level. A student who is readmitted through the appeals process shall be readmitted on an Academic Probation status. A student on Academic Probation is *not* eligible to receive Title IV funds. The student’s Academic Progress will be evaluated at the next Evaluation Point. If it is determined that the student is making Satisfactory Academic Progress, the student will be taken off Academic Probation and be eligible to receive Title IV funds. If it is determined that the student is *not* making Satisfactory Academic Progress, the student:

- Will continue on Academic Probation; and
- Will have to be reevaluated for a program of study at a lower credential level; and
- Will not be eligible for Title IV funds; and
- Must execute a new Enrollment Agreement with the School and pay all then-current tuition, fees, and any other costs associated with the student’s program of study.

Appeal

Students who have been determined as not making satisfactory academic progress may appeal this determination with the school based on mitigating circumstances. The student’s appeal must be made in writing to the school’s director and must be received within ten (10) days of the determination of unsatisfactory progress. The student’s appeal must document the unusual or mitigating circumstances that caused the student to fail to meet the institution’s standards as well as provide information regarding what conditions have changed that would demonstrate that the student could regain satisfactory academic progress standards during the probationary period. The institution will review the student’s appeal and related documentation and its resulting decision will be final.

Reestablishing Financial Aid

A student must be making Satisfactory Academic Progress to be eligible to receive any federal, state, or other student financial aid in order to attend any course(s) in his or her program of study at the School. If a student loses his or her eligibility to receive financial aid for failure to make Satisfactory Academic Progress in his or her program of study, the student *cannot* reestablish his or her eligibility to receive financial aid to attend any course(s) at the School, *unless* the student achieves Satisfactory Academic Progress in his or her current program of study at the next Evaluation Point.

If the student has difficulty achieving Satisfactory Academic Progress and chooses to enroll in a different program of study that is at the same credential level as the program in which he/she failed to make Satisfactory Academic Progress or enrolls in a program that is at a lower credential level, the student will *not* be eligible to receive Financial Aid until he/she achieves Satisfactory Academic Progress at the next Evaluation Point. Students that are not making Satisfactory Academic Progress and enroll in a different program of study will have to execute a new Enrollment Agreement with the School and pay all the current tuition, fees, and any other costs associated with the student’s program of study. The student can consult with a Business Office Advisor for payment plan options. Once the student is demonstrating Satisfactory Academic Progress, he or she will become eligible to receive Financial Aid.

STUDENT LOAN INFORMATION

Sample Loan Repayment Schedule

Loan Amount	Monthly Payment	Total Repaid
\$ 5,000.00	\$58.00	\$6,904.00
\$10,000.00	\$115.00	\$13,809.00
\$25,000.00	\$288.00	\$34,524.00

Necessity for Repaying Loans

Student loans are real loans and it is imperative that you pay them back. The following is directly from the Department of Education's website:

www.studentaid.ed.gov/PORTALSWebApp/students/english/repaying.jsp#default

If you default, it means you failed to make payments on your student loan according to the terms of your promissory note, the binding legal document you signed at the time you took out your loan. In other words, you failed to make your loan payments as scheduled. Your school, the financial institution that made or owns your loan, your loan guarantor, and the federal government all can take action to recover the money you owe. Here are some consequences of default:

- National credit bureaus can be notified of your default, which will harm your credit rating, making it hard to buy a car or a house.
- You will be ineligible for additional federal student aid if you decide to return to school.
- Loan payments can be deducted from your paycheck.
- State and federal income tax refunds can be withheld and applied toward the amount you owe.
- You will have to pay late fees and collection costs on top of what you already owe.
- You can be sued.

For more information and to learn what actions to take if you default on your loans see the Department of Education's Default Resolution Group Web site at:

<https://studentaid.ed.gov/sa/repay-loans/default>

Loan Counseling

Loan counseling is required for all borrowers. Borrowers can access three loan counseling modules (Entrance Counseling, Financial Awareness Counseling, and Exit Counseling) from the Department of Education's Complete Counseling page at www.StudentLoans.gov. Each type of counseling is explained on this page. The explanations are designed to assist the borrower in identifying which module he/she needs to select and complete. When borrowers complete any of the three loan counseling modules, he/she can select the school(s) that he/she would like to receive information about the counseling results. A confirmation email from donotreply@studentloans.gov will be sent to the borrower's email address stored within StudentLoans.gov upon completion of any of the three loan counseling modules.

FEDERAL STUDENT FINANCIAL AID PENALTIES FOR DRUG LAW VIOLATIONS

Federal law provides that a student who has been convicted of an offense under any federal or state law involving the possession or sale of a controlled substance during a period of enrollment for which the student was receiving financial aid shall not be eligible to receive any federal or institutional grant, loan, or work assistance during the period beginning on the date of such conviction and ending after the interval specified in the following table. If convicted of an offense involving:

Possession of a Controlled Substance	Ineligibility Period
First Offense	1 year
Second Offense	2 years
Third Offense	Indefinite
Sale of a Controlled Substance	Ineligibility Period
First Offense	2 years
Second Offense	Indefinite

A student whose eligibility has been suspended based on a conviction for possession or sale of a controlled substance may resume eligibility before the end of the ineligibility period if:

1. The student satisfactorily completes a drug rehabilitation program:
 - a. Complies with the criteria prescribe in the federal regulations; and
 - b. Includes two unannounced drug tests;
2. The student successfully passes two unannounced drug tests conducted by a drug rehabilitation program that complies with the criteria prescribed in the federal regulations; or
3. The conviction is reversed, set aside, or otherwise rendered nugatory.

GENERAL INSTITUTIONAL INFORMATION

Family Educational Rights and Privacy Act

MT Training Center maintains the confidentiality of student records according to the Family Educational Rights and Privacy Act - FERPA (20 U.S.C. § 1232g; 34 CFR Part 99). The Family Educational Rights and Privacy Act –is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond high school level. Students to whom the rights have been transferred are “eligible students”.

Enrolled students of MT Training Center are advised regarding FERPA beginning in Admissions. Each enrolled student must complete the appropriate FERPA form which is subsequently placed in the student’s permanent academic file. Students may add or delete individuals, and their relationship to the student, to whom they want their personal information released. Changes may be made by asking a staff member for assistance with their student file.

Confidentiality

Administrators of MT Training Center may disclose, without consent, “directory” information such as a student’s name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. The student has the right to request in writing that the institution not disclose directory information about them. Students have the right to inspect and review their 15 records maintained by the school. The institution is not required to provide copies of records. Students have the right to request that the school correct records which they believe to be inaccurate or misleading. The institution requires written permission from the student in order to release any information from a student’s education record, except for information allowed for disclosure without written consent from the FERPA to the following parties or under the following conditions:

- School officials with legitimate educational interest;
- In connection with the student’s application for, and receipt of, financial aid;
- Other schools to which a student is transferring;

- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities pursuant to specific State Law.
- Authorized representatives of the U.S. Department of Education, U.S. Department of Defense, U.S. Attorney General, Immigration and Naturalization Services, Homeland Security, the Comptroller General of the United States, state education authorities, organizations conducting studies for or on behalf of the School, and accrediting organizations.
- Parents of dependent students as defined by the Internal Revenue Code, Section 152;
- The alleged victim of any crime of violence handled by disciplinary proceedings conducted by the School.
- Non-directory information may be released to parents in compliance with a lawfully-issued subpoena.

Recordkeeping

The Federal Educational Rights and Privacy Act (FERPA) sets limits on the disclosure of personally identifiable information from school records, and defines the rights of the student to review the records and request a change to the records. With the exceptions such as those noted in this section, FERPA generally gives postsecondary students the right:

- To review their education records,
- To seek to amend inaccurate information in their records, and
- To provide consent for the disclosure of their records.

These rules apply to all education records the school keeps, including admissions records (only if the student was admitted) and academic records as well as any financial aid records pertaining to the student.

All files are the property of MT Training Center. Files are kept for a minimum of 4 years. Students are encouraged to keep their own records of attendance and grades. It is the student's responsibility to maintain copies of their important education documents: Enrollment Agreements, Financial Aid documents, written requests, Satisfactory Academic Progress reports, etc.

Student's & parent's rights to review educational records

MT Training Center provides students with an opportunity to review his/her education records within 45 days of the receipt of a request. The school is required by Federal law to provide the student with copies of education records, or make other arrangements to provide the student access to the records, if a failure to do so would effectively prevent the student from obtaining access to the records. The school charges a nominal fee for providing copies of the records.

Prior written consent to disclose the student's records

For information to be released, except directory information that the school can release without consent by law, the student must provide written consent before the school can disclose identifiable information from the student's education records. The written consent must:

- (a) State the purpose of the disclosure;
- (b) Specify the records that may be disclosed;
- (c) Identify the party or class of parties to whom the disclosure may be made; and
- (d) Be signed and dated.

Disclosures to government agencies

MT Training Center may disclose student information to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" includes employees of the Department, such as employees of the Office of Federal Student Aid, the Office of

Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms that are under contract to the Department of Education to perform certain administrative functions or studies. In addition:

- Disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student information is needed to determine the amount of the aid, the condition for the aid, the student's eligibility for the aid, or to enforce the terms or conditions of the aid.
- A school may release personally identifiable information in an F, I, or M nonimmigrant student to U.S. Immigration and Customs Enforcement (formerly the Immigration and Naturalization Service) in compliance with the Student Exchange Visitor Information System (SEVIS) program without violating FERPA.

Disclosures in response to subpoenas or court orders

FERPA permits schools to disclose education records, without the student's consent, in order to comply with a lawfully issued subpoena or court order. In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so that the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure. A school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an *ex parte* order issued in connection with the investigation of crimes of terrorism.

Documenting the disclosure of information

Except as noted below, the school keeps a record of each request for access and each disclosure of personally identifiable student information. The record must identify the parties who requested the information and their legitimate interest in the information. This record must be maintained in the student's file as long as the educational records themselves are kept.

FERPA Responsibilities and Student Rights

The school is required to:

- Annually notify students of their rights under FERPA;
- Include in that notification the procedure for exercising their rights to inspect and review education records; and
- Maintain a record in a student's file listing to who personally identifiable information was disclosed and the legitimate-interests the parties had in obtaining the information (does not apply to school officials with a legitimate educational interest or to directory information).

Students have the right to:

- Inspect and review any education records pertaining to the student;
- Request an amendment to his/her records; and
- Request a hearing (if the request for an amendment is denied) to challenge the contents of the education records, on the grounds that the records are inaccurate, misleading, or violate the rights of the student.

Rights under FERPA

The Family Education Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. These rights include:

- The right to inspect and review the student's education records within 45 days of the school receiving a request for access.

The student should submit to the Director a written request that identifies the record(s) the student wishes to inspect. The Director will make arrangements for access and notify the student of the time and place where the records may be inspected.

The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the school to amend a record should write the Director, clearly identifying the part of the record the student wants changed, and specify why it should be changed.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

Students have the right to provide written consent before the school discloses personally identifiable information from the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

The school has the right to disclose education records without a student's prior written consent, under the FERPA exception for disclosure, to school officials with legitimate educational interests. A school official is a person employed by the school in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the school has contracted as its agent to provide a service instead of using school employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibilities for the school.

The student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901

Consumer Information on College Navigator Website

Students and parents can find free consumer information designed to help get information about many schools, colleges, universities, and career schools at www.nces.ed.gov/collegenavigator.

Facilities and Services Available to Students with Disabilities

The school will make every effort to accommodate any reasonable request for qualified students with disabilities. Students requesting accommodations or other support services should notify the Chief Executive Officer, Melissa Cuellar, at 972-262-5395 or mcuellar@mttrainingcenter.edu.

Student Body Diversity: Gender and Ethnicity (2020-2021 Reporting Period)

Student Body Diversity		Ethnicity Diversity

Total	\$30,491.00	\$44,026.00

*Student allowances for room and board, personal, and transportation expenses are derived from the Bureau of Labor Statistics Price Index. The BLS statistics are derived from an extensive and comprehensive research based, and adequately represents the needs of the majority of enrolled students. ** Actual cost amounts may be different for each student based on their individual socio-economic status, geographical location, and general spending habits and needs. www.bls.gov/cpi

Net Price Calculator

A Net Price Calculator is available on the MT Training Center's website. This calculator provides current prospective students and their families – based on individual student circumstances – and estimate of the cost of attending a program at MT Training Center. www.mttrainingcenter.org; Higher Education Act of 1965 (HEA); Higher Education Opportunity Act of 2008 (HEOA)

REFUND POLICY, REQUIREMENTS FOR WITHDRAWAL AND RETURN TO TITLE IV, HEA FINANCIAL AID

Any money due to the student will be refunded within 30 days of formal cancellation acceptance or termination.

Mandatory Termination for Attendance Reasons

A student shall be terminated and refund computations will be addressed if either of the following occurs:

- The student is absent for 10 consecutive days.
- The student accumulates absences in excess of 10% of the program in each payment period.

MT Training Center's Institutional Refund Policy

1. Refund computations will be based on scheduled course time of class attendance through the last date of attendance. Leaves of absence, suspensions and school holidays will not be counted as part of the scheduled class attendance.
2. The effective date of termination for refund purposes will be the earliest of the following:
 - (a) The last day of attendance, if the student is terminated by the school;
 - (b) The date of receipt of written notice from the student; or
 - (c) Ten school days following the last date of attendance.
3. If tuition and fees are collected in advance of entrance, and if after expiration of the 72-hour cancellation privilege the student does not enter school, not more than \$100 in nonrefundable administrative fees shall be retained by the school. Refunds will be made within 45 days of the class start date. The student is not required to request the refund.
4. If a student enters a residence or synchronous distance education program and withdraws or is otherwise terminated, the school or college may retain not more than \$100 in nonrefundable administrative fees for the entire program. The minimum refund of the remaining tuition and fees will be the pro rata portion of tuition, fees, and other charges that the number of hours remaining in the portion of the course or program for which the student has been charged after the effective date of termination bears to the total number of hours in the portion of the course or program for which the student has been charged, except that a student may not collect a refund if the student has completed 75 percent or more of the total number of hours in the portion of the program for which the student has been charged on the effective date of termination.
 - (a) During the first week or one-tenth of the course, whichever is less, ninety percent of the remaining tuition and fees;
 - (b) After the first week or one-tenth of the course, whichever is less, but within the first three weeks of the course, eighty percent of the remaining tuition and fees?
 - (c) After the first three weeks of the course, but within the first quarter of the course, seventy-five percent of the remaining tuition and fees;
 - (d) During the second quarter of the course, fifty percent of the remaining tuition and fees;
 - (e) During the third quarter of the course, ten percent of the remaining tuition and fees; and
 - (f) During the last quarter of the course, the student may be considered obligated for the full tuition and fees.
5. Refunds for items of extra expense to the student, such as books, tools, or other supplies shall be handled separately from refund of tuition and other academic fees. The student will not be required to purchase instructional supplies, books and tools until such time as these materials are required. Once these materials are purchased, no refund will be made. For full refunds, the school can withhold costs for these types of items from the refund as long as they were necessary for the portion of the program attended and separately stated in the enrollment agreement. Any such items not required for the portion of the program attended must be included in the refund.

6. A student who withdraws for a reason unrelated to the student's academic status after the 75 percent completion mark and requests a grade at the time of withdrawal shall be given a grade of "incomplete" and permitted to re-enroll in the course or program during the 12-month period following the date the student withdrew without payment of additional tuition for that portion of the course or program.
7. A full refund of all tuition and fees is due and refundable in each of the following cases:
 - An enrollee is not accepted by the school;
 - If the course of instruction is discontinued by the school and this prevents the student from completing the course; or
 - If the student's enrollment was procured as a result of any misrepresentation in advertising, promotional materials of the school, or representations by the owner or representatives of the school.
 - For students who have visited the school's facility prior to enrollment have the opportunity to withdraw without penalty within three days following either attendance at a regularly-scheduled orientation or following a tour of the facilities and inspections of the equipment.

A full or partial refund may also be due in other circumstances of program deficiencies or violations of requirements for career schools and colleges. All refunds will be made without requiring a request from the student.

Refund Policy for Students Called to Active Military Service

A student of the school or college who withdraws from the school as a result of the student being called to active duty in a military service of the United States or the Texas National Guard may elect one of the following options for each program in which the student is enrolled:

- (a) if tuition and fees are collected in advance of the withdrawal, a pro rata refund of any tuition, fees, or other charges paid by the student for the program and a cancellation of any unpaid tuition, fees, or other charges owed by the student for the portion of the program the student does not complete following withdrawal;
- (b) a grade of incomplete with the designation "withdrawn-military" for the courses in the program, other than courses for which the student has previously received a grade on the student's transcript, and the right to re-enroll in the program, or a substantially equivalent program if that program is no longer available, not later than the first anniversary of the date the student is discharged from active military duty without payment of additional tuition, fees, or other charges for the program other than any previously unpaid balance of the original tuition, fees, and charges for books for the program; or
- (c) The assignment of an appropriate final grade or credit for the courses in the program, but only if the instructor or instructors of the program determine that the student has:
 - (1) Satisfactorily completed at least 90 percent of the required coursework for the program; and
 - (2) Demonstrated sufficient mastery of the program material to receive credit for completing the program.

The payment of refunds will be totally completed such that the refund instrument has been negotiated or credited into the proper account(s), within 45 days after the effective date of termination. The student is not required to request the refund.

REFUND POLICY-TEXAS VETERANS EDUCATION RECIPIENTS

In the event the veteran or other eligible person fails to enter the course, or withdraws, or is discontinued therefrom at any time prior to completion of the approved program length for VA students, the amount charged to the student for tuition, fees, and other charges for the completion portion of the course shall not exceed \$10.00 (only if a registration fee is charged) plus the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the completion portion of the course bears to its total

length. The completed portion is the total number of days the student was scheduled to attend (from first to last date of attendance) multiplied by the scheduled hours of attendance per day. Refunds will be totally consummated within forty (40) days after termination.

Return to Title IV, HEA Financial Aid

The return of Title IV funds is administered by MT Training Center's (MTTC) Financial Aid Office. This policy applies to students who withdraw (official or unofficially) or are dismissed from enrollment at MTTC. *This policy is separate and distinct from the MTTC's Refund Policy* (see MTTC's Institutional Refund Policy below and/or the Refunds section under MT Training Center's School Catalog). Therefore, the student may still owe funds to the school to cover unpaid institutional charges. The school may also attempt to collect from the student any Title IV program funds that the school was required to return. The calculated amount of the "Return of Title IV Funds" that is required for students affected by this policy are determined according to the following definitions and procedures, as prescribed by regulation.

The School has 45 days from the date the school determined that the student withdrew to return all unearned Title IV, HEA funds for which it is responsible. The School is required to notify the student if they owe a Title IV, HEA repayment via written notice. The student is not required to request the refund.

The School must advise the student or parent that they have within 30 calendar days from the date the School sent the notification to accept a post-withdrawal disbursement. If a response is not received from the student or parent within the permitted time frame or the student declines the funds, the School will return any earned funds that the School is holding to the Title IV, HEA programs. *Post-withdrawal disbursement must occur within 180 days of the date the student withdrew.*

How Earned Financial Aid is Calculated

Students who receive federal financial aid must "earn" the aid they receive by staying enrolled in a program. The amount of federal financial aid assistance the student earns is on a pro-rated basis. Students who withdraw or do not complete the entire program during the allotted time period may be required to return some of the financial aid they were awarded. Federal aid includes Pell Grants, Federal Stafford Loan (subsidized and unsubsidized), Federal and Direct PLUS Loans and any other Title IV funds.

Institutions are required to determine the percentage of Title IV aid "earned" by the student and to return the unearned portion to the appropriate aid programs. Regulations require schools to perform calculations within 30 days from the date the school determines a student's complete withdrawal. The school must return the funds within 45 days of the calculation. The R2T4 calculation process and return of funds is completed by the Financial Aid Director.

For example, if a student completes 30 percent of the payment period, they earn 30 percent of the aid they were originally scheduled to receive. This means that 70 percent (70%) of the scheduled awards remain "unearned" and must be returned to the federal government. Once 60 percent (60%) of the program is completed, a student is considered to have earned all of his/her financial aid and will not be required to return any federal funds.

The following formula is used to determine the percentage of unearned aid that has to be returned to the federal government:

- The **percent earned** is equal to the number of hours completed up to the withdrawal date, divided by the total number of hours scheduled in the payment period (less any scheduled breaks that are at least 5 days long).

- The **payment period** for most students is the period of time it takes a student to complete both half the number of clock hours and half the number of weeks of instruction in their program of choice.
- The **percent unearned** is equal to 100 percent (100%) minus the percent earned. *For students enrolled in certificate programs:* A student is considered withdrawn if the student does not complete all of the hours in the payment period that the student was scheduled to complete. MT Training Center (MTTC) will track enrollment in the program to determine if a student began enrollment in the schedule program.
- Students who have been approved for a leave of absence by MTTC’s Chief Administrative Officer and provide written confirmation to the Financial Aid Director at the time of ceasing attendance that they plan to resume classes within the allotted time period, are not considered to have withdrawn from their program. If the student does not provide written confirmation of plans to return to school within the allotted time period, MTTC considers the student to have withdrawn and begins the Return of Title IV Funds (R2T4) process immediately.

The Bursar will calculate the percentage of Title IV aid earned as follows: The number of hours the student is scheduled divided by the total number of hours in the program payment period in which the student withdrew. The total number of scheduled hours in a program shall exclude any holiday or scheduled breaks of more than five days.

The Bursar will calculate the percentage of Texas Workforce Commission aid earned as follows: The number of hours the student completed and the hours of absences divided by the total number of hours in the program. The total number of scheduled hours in a program shall exclude any holiday or scheduled breaks of more than five days.

If the calculated percentage completed exceeds 60%, then the student has “earned” all the Title IV aid for the enrolled period. The Financial Aid Director will calculate the amount of Title IV aid earned as follows: The percentage of Title IV aid earned multiplied by the total amount of Title IV aid disbursed or that could have been disbursed for the program in which the student withdrew.

Total Aid Disbursed x Percentage Completed = Earned Aid

- If the aid already disbursed equals the earned aid, no further action is required.
- If the aid already disbursed is greater than the earned aid, the difference must be returned to the appropriate Title IV aid program.

Amount of Title IV aid to be disbursed or returned

- If the aid already disbursed equals the earned aid, no further action is required.
- If the aid already disbursed is greater than the earned aid, the difference must be returned to the appropriate Title IV aid program.

Total Disbursed Aid – Earned Aid = Unearned Aid to be Returned

- If the aid already disbursed is less than the earned aid, then the Financial Aid Director will calculate a post-withdrawal disbursement.

Withdrawing Prior to Completing 60 Percent (60%) of a Program

Unless a student completes 60 percent of the program in which federal aid was disbursed, the student will be required to return all or part of the financial aid disbursed. This applies to students who have officially (including medical), or unofficially withdrawn.

Consequences of non-repayment

If a student does not repay the grant funds that are owed to the government within 45 days, the account will be turned over to the U.S. Department of Education (ED) as an overpayment of federal funds. Students who owe an overpayment of Title IV funds are ineligible for further disbursements from federal financial aid

programs at any institution until the overpayment is paid in full or payment arrangements are made with the U.S. Department of Education.

If a student does not pay funds due to MTTC to cover the balance, the student's records will be placed on financial hold. This means he/she will not be permitted to register for classes or receive transcripts until the balance is paid.

How a Withdrawal Affects Title IV, HEA Financial Aid

Federal regulations require Title IV, HEA financial aid funds be awarded under the assumption that a student will attend the institution for the entire period in which federal assistance was awarded. When a student withdraws from all courses for any reason, including medical withdrawals, he/she may no longer be eligible for the full amount of Title IV, HEA funds that he/she was originally scheduled to receive. The return of funds is based upon the premise that students earn their financial aid in proportion to the amount of time in which they are enrolled. A pro-rated schedule is used to determine the amount of federal student aid funds he/she will have earned at the time of the withdrawal. Thus, a student who withdraws in the second week of classes has earned less of his/her financial aid than a student who withdraws in the seventh week. Once 60% of the program is completed, a student is considered to have earned all of his/her financial aid and will not be required to return any funds.

If a student receives financial aid, but never attends classes, the Director of Financial Aid must return all disbursed funds to the respective federal and institutional aid programs. Federal law requires schools to calculate how much federal financial aid a student has earned if the student has an Official or Unofficial Withdrawal.

Withdrawal (Official & Unofficial)

Official Withdrawal

- A Student submits in writing that he/she is withdrawing from their program of study. An official withdrawal form can be obtained from the Director. A completed withdrawal form, along with an Exit Interview and Financial Aid statement of closure is needed.

Unofficial Withdrawal

- Federal financial aid regulations consider a student to be an unofficial withdrawal if the student receives all failing grades (F) or all incompletes (I) or a combination of all fail, incompletes and withdraw (W) grades for the payment period.
- If a student is absent ten (10) consecutive school days without submitting a Leave of Absence Request or an official drop form to MTTC, the unofficial withdrawal date will be the last date of academic activity determined by MTTC.

Based on this calculation, MT Training Center's (MTTC) students who receive federal financial aid and do not complete their vocational program could be responsible for repaying a portion of the aid they received. *Students who do not begin attendance must repay all financial aid disbursed for the payment.*

Definition of an Academic Related Activity

Examples of MT Training Center's academic-related activities include, but are not limited to, physically attending class where there is an opportunity for direct interaction between the instructor and students. Proof of participation includes exams, quizzes, tutorials, computer-assisted instruction, and completion of an academic assignment, paper, or project.

Student Notification of Repayment

A notification letter outlining the amount returned to the federal and institutional program(s) along with the federal government's repayment worksheet will be mailed to the student's permanent address. MTTC will return Title IV, HEA funds on the student's behalf to the appropriate federal and institutional aid program(s).

Repayment to Federal and Institutional Aid Program(s)

In accordance with federal regulations, when Title IV, HEA financial aid is involved, the calculated amount of R2T4 funds is allocated in the following order:

- Federal Direct Loans: Unsubsidized
- Federal Direct Loans: Subsidized
- Federal PLUS Loans (Received on behalf of the student)
- Direct PLUS Loans (Received on behalf of the student)
- Federal PELL Grants
- Iraq and Afghanistan Service Grant

Loans must be repaid by the loan borrower (student/parent) as outlined in the terms of the borrower's promissory note. The student's grace period for loan repayments for Federal Unsubsidized and Subsidized Stafford Loans will begin on the day of the withdrawal from the School. The student should contact the lender if he/she has questions regarding their grace period or repayment status.

Overpayment of Federal Grant Funds

Federal regulations provide that 50 percent (50%) of the unearned amount of all federal grants is protected by the federal calculation. Any grant amount subject to repayment will be billed to the student's financial aid account as an overpayment. Upon receipt of payment from the student, MTTC will return the funds to the appropriate grant program(s).

Loan Information to Consider when Withdrawing

Loans must be repaid by the loan borrower (student/parent) as outlined in the terms of the borrower's promissory note. The student's grace period for loan repayments for Federal Unsubsidized and Subsidized Stafford Loans will begin on the day of the withdrawal from the School. The student should contact the lender if he/she has questions regarding their grace period or repayment status.

The federal repayment calculation also has additional loan amounts that the student and parent may be responsible to return directly to the U.S. Department of Education (see step 8 of the federal government's repayment worksheet).

Important: Anytime a student is enrolled less than part-time the student's grace period begins. The student's grace period for loan repayment for Federal Direct Unsubsidized and Subsidized Loans will begin on the day the student's enrollment is less-than part-time or on the date of withdrawal from the school. If the student is not enrolled part-time for more than 6 months, the loans will go into repayment. For Direct Subsidized Loans, interest is charged during the grace period. For Direct Unsubsidized Loans, interest accrues during all periods over the life of the loan. During periods of enrollment and the grace period, borrowers may choose to pay the interest or have it capitalized.

Repayment of Unearned Funds

The Financial Aid Director will notify students if they owe federal funds back to the U.S. Department of Education (ED). Amounts that must be returned by the student will first be applied to federal loans. The student/parent will be permitted to repay loans based on the terms of the Master Promissory Note (MPN) which usually consists of scheduled payments to the holder of the loan over a period of time. Any grant overpayment the student has to return to the federal government must be repaid within 45 days after the student receives notification from Financial Aid Director. If the grant overpayment cannot be paid in full, a repayment plan may be arranged with the school.

Consequences of Non-Repayment

If a student does not repay the grant funds that are owed to the government within 45 days, the account will be turned over to the U.S. Department of Education (ED) as an overpayment of federal funds. Students who owe an overpayment of Title IV funds are ineligible for further disbursements from federal financial aid

programs at any institution until the overpayment is paid in full or payment arrangements are made with the school.

If a student does not pay funds due to MTTC to cover the balance, the student's records will be placed on financial hold. This means he/she will not be permitted to register for classes or receive transcripts until the balance is paid.

MTTC's Responsibilities in Regard to the Return of Title IV, HEA Funds

1. Provide each student with the information given in this policy;
2. Identifying students affected by this policy and completing the Return of Title IV Funds (R2T4) calculation;
3. Inform the student of the result of the R2T4 calculation and any balance owed to MTTC as a result of a required return of funds;
4. Return any unearned Title IV aid that is due to the Title IV programs and, if applicable, notifying the borrower's holder of federal loan funds of the student's withdrawal date;
5. Notify student and/or Plus borrower of eligibility for Post-Withdraw Disbursement, if applicable.

Student's Responsibilities in Regard to the Return of Title IV, HEA Funds

1. Become familiar with the Return of Title IV Funds (R2T4) policy and how withdrawing from all courses affects eligibility for Title IV aid;
2. Resolve any outstanding balance owed to MTTC resulting from a required return of unearned Title IV, HEA aid;
3. Resolve any repayment to the U.S. Department of Education as a result of an overpayment of Title IV grant funds.

Academic Programs

Administrative Assistant

The Administrative Assistant Program is designed to provide the student with those skills and competencies necessary to become employed in a variety of offices environments. Through training and hands-on experience, the student will obtain skills and knowledge to prepare them for work in a variety of office settings and procedures. Students will be taught the skills necessary to become competent in verbal and written communication for business offices as well as becoming proficient in Microsoft Office products. The graduate will qualify for entry-level employment in a variety of office environments.

Advanced CDL Training for the Entrepreneur

The Advanced CDL Training for the Entrepreneur Program is designed to provide the student with the skills and competencies necessary to perform entry-level truck driving duties and be able to establish self-employment as an owner operator. Through hands-on experience the student will be able to safely operate a tractor-trailer by the end of the course. Students will also learn how to complete necessary paperwork required of truck drivers, as well as be educated on the regulations that govern the truck driving industry. The student will also master the legal parameters of establishing a truck driving company. The graduate will qualify for employment as a truck driver, driver, tractor-trailer operator for private carriers, short haul trucking companies, and distributors and will also have the knowledge to become a self-employment owner operator.

Adult Basic Education

The ABE program is specifically designed to prepare students to enroll in the G.E.D. program. The course is heavily instruction based in all five G.E.D. subject areas which are Language Arts Reading, Language Arts Writing, Mathematics, Social Studies and Science. The program is designed to incorporate classroom instruction, computer lab learning, self-study and group study.

Business Office Specialist Program

The Business Office Specialist Program is designed to provide the student with those skills and competencies necessary to become employed in a variety of office environments. Through hands-on experience the student will review and work with a variety of office situations, procedures, as well as general vocabulary, basic grammar, phone etiquette, and word processing techniques. The graduate will qualify for employment in any a wide variety of office environments.

Combination Welding Program

The Combination Welding Program is designed to provide the student with the skills and competencies necessary to perform entry-level welding duties. Through hands-on experience, the student will be able to safely operate a welding machine, cutting torch, and all of the equipment necessary to perform entry-level welding and cutting duties. The graduate will qualify for entry-level employment as a welder or combination welder in Shield Metal Arc Welding/Stick Welding, Gas Tungsten Arc Welding/TIG Welding, Gas Metal Arc Welding/MIG Welding, and Flux Core Arc Welding. Instructional methods for this program include a combination of lecture and hands-on training.

Computerized Numerical Controller (CNC) Machinist Program

The CNC Machinist Program is designed to provide the student with entry level skills and competencies necessary to perform entry-level CNC operator duties. Through classroom training, as well as hands-on experience, the student will be able to safely operate a CNC mill, lathe, and other related equipment by the end of the course. Students will also learn basic programming for the CNC machinery and will be able to complete necessary paperwork and adhere to all safety rules and regulations required of CNC operators. The graduate will qualify for employment as a CNC operator, machinist, lathe operator, and mill operator for various manufacturing companies.

Computerized Accounting Program

The Computerized Accounting Program is designed to provide the student with those skills and competencies necessary to become employed in a variety of business environments. Through hands-on experience, the student will be able to prepare, analyze, and verify financial reports. The Computerized Accounting curriculum is designed to prepare students in both manual and automated system support roles in business accounting settings and financial service industries.

English as a Second Language (ESL)

The English-As-A-Second Language Program is designed to provide students with language barriers the opportunity to become familiarized with the English language. The ESL program will assist the student in developing necessary listening, speaking, and reading skills for communication, word recognition, reading comprehension, interpretation, analysis, and evaluation.

General Education Development (GED) Preparatory Program

The General Educational Development (GED) program prepares students to pass the official GED examination. The course reviews all five GED subject areas: Language Arts Reading, Language Arts Writing, Mathematics, Social Studies, and Science. The program is designed to incorporate classroom instruction, computer lab learning, and self-study and group study. The GED diploma is the equivalent to a high school diploma and is recognized by most employers, vocational schools and colleges.

Gunsmithing

The Gunsmithing program is designed to provide the student with entry level skills and competencies necessary to perform entry-level Gunsmithing duties. Through classroom training, as well as hands-on experience the student will be able to safely operate a CNC mill, gunsmithing lathe, and other related equipment by the end of the course. Students will also learn basic programming for the CNC machinery and will be able to complete necessary paperwork and adhere to all firearms safety rules and regulations required of gunsmiths. The graduate will qualify for employment as a gunsmith, CNC operator, machinist, lathe operator, mill operator for various manufacturing and firearms companies.

Medical Front Office Specialist Program

The Medical Front Office Program is designed to provide the student with those skills and competencies necessary to become employed in a variety of healthcare environments. Through classroom instruction and hands-on experience, the student will obtain employment preparation for an entry level medical front office position. The student will also review and work with a variety of medical office situations, procedures, as well as be able to properly utilize office equipment. The graduate will qualify for employment in many of a wide variety of medical office and healthcare environments.

Truck Driving (CDL)

The Truck Driving Program is designed to provide the student with the skills and competencies necessary to perform entry-level truck driving duties. Through hands-on experience the student will be able to safely operate a tractor-trailer by the end of the course. Students will also learn how to complete necessary paperwork required of truck drivers, as well as be educated on the regulations that govern the truck driving industry. The graduate will qualify for employment as a truck driver, driver, and tractor-trailer operator for private carriers, short haul trucking companies, and distributors.

Textbook Information

Students enrolled at MTTC are required to have current textbooks that are being utilized in their program. Textbooks used in each program are review annually and updated as needed. Students are informed during enrollment as to what textbooks will be utilized in their program, the cost of those textbooks, and the expected date they will receive them.

MTTC also provides a library for enrolled students. Students may check out any library book through any staff representative for a period of time specified by the representative. MTTC also has a fully equipped computer room with Internet access for student usage.

Faculty Roster

Greg Dalton: Computerized Numeric Control (CNC) Machinist Instructor

CNC Machinist, Blueprint Reading, and Machine Shop Safety Operations, 2000. Experience CAD-CAM, Mazatrol, machine mathematical computations, G-codes, M-codes, manual machines, multi-access machines, and MasterCam and automation. Proficient in blueprint reading and machine shop safety protocol standards. CNC Machinist Instructor since 2008.

Tim Sherwood: Computerized Numerical Control (CNC) Machinist Instructor

CNC Machinist, 2000. Experience CAD-CAM, FADAL, Mazatrol, machine mathematical computations, G-codes, M-codes, manual machines, multi-access machines, and MasterCam, automation and lathe.

Proficient in blueprint reading and machine shop safety protocol standards. CNC Machinist Instructor since 2015.

Erik Gutierrez: Combination Welding Instructor

Advanced Welding Certificates, 2012. Experience in multiple welding techniques including, but not limited to Flux Core Welding, Shielded Metal Arc Welding, Gas Metal Arc Welding, Gas Tungsten Arc Welding, Pipe Welding and Blue Print Reading.

Miguel Lorado: Combination Welding Instructor

Advanced Welding Certificate, 2015. Experience in multiple welding techniques including Flux Core Welding, Shielded Metal Arc Welding, Gas Metal Arc Welding, Gas Tungsten Arc Welding, Pipe Welding and Blue Print Reading.

Seumas Hanna: ESL Instructor

Master of Arts in Education, 1997. Twenty-one years of experience teaching English-Second Language (ESL), GED, and Adult Basic Education (ABE) to adults and children.

Micheal Keith: Commercial Driver License (CDL) Instructor

CDL License, Grand Prairie, Texas. MT Training Center. Class A Driver Safety and Awareness Certificate, 2018. Experience in Commercial Truck Driving, Focus on safety compliance.

Richard Joslyn: Commercial Driver License (CDL) Instructor

CDL License, Desoto, Texas, 2001. Class A Skid School Training, 2003. Experience in Commercial Truck Driving with a focus on safety compliance.

Stancil Thornton: Commercial Driver License (CDL) Instructor

CDL License, Fontana, California Texas. Roadmaster Drivers School. Class A Driver Safety and Awareness Certificate, 2016. Experience in Commercial Truck Driving, Focus on safety compliance.

LaSonya Bryant: Medical Front Office Instructor

Masters of Business: Concentration Accounting, 2012. Experience in Microsoft Office Software. Medical Front Office Instructor since 2016.

FaTina Williams: Computerized Accounting/Administrative Assistant/Business Office Specialist Instructor

Master of Business Administration in Business Administration Experience in QuickBooks and Microsoft Office Software, including accounting basics in Excel. Computerized Accounting Instructor since 2017.

Michael Sims: GED/ABE Instructor

Masters of Arts in Art History, 2000. Thirteen years of experience in teaching English-Second-Language (ESL), Adult Basic Education ABE and GED preparatory classes with an emphasis on teaching non-native English speakers.

Location and Description of Facility

The MT Training Center is housed in an office facility in south Grand Prairie, TX. The 10,500 square foot facility is equipped with lecture rooms, Media Services/Computer room, CDL instruction area, Computerized Numerical Control laboratory, Combination Welding laboratory and break room complete

with a full kitchen for student use. On-site parking with adequate lighting is available for all students, staff and instructors.

Transfer Clock Hours

The School will count all the transfer hours that apply toward the student's current program of study in determining Satisfactory Academic Progress and the Quantitative requirements for Title IV, HEA program funding. All transfer clock hours will be counted as both hours attempted and hours completed. Transfer hours accepted by the School are applied to the total number of hours necessary to complete the program. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the School. If a transfer student was not maintaining Satisfactory Academic Progress at the time of withdrawal from the previous institution, he/she may not be eligible for Title IV, HEA funding.

Articulation Agreement – Transfer of Credit

MTTC has no articulation of agreements with other institutions; therefore, MTTC cannot guarantee that credits received at MTTC will transfer to another institution. The decision of an institution to accept course work from MTTC is solely at the discretions of the receiving institution.

Transfer Between Programs

MT Training Center will allow students to transfer between programs offered at the school upon approval from the Chief Administrative Officer. Students that request to change their program should request an appointment with the Chief Administrative Officer to discuss their reason for the change. All transfer requests will be reviewed and decided upon within 3 business days. The student will be notified verbally by the Chief Administrative Officer.

If the transfer is granted to the student, the Chief Administrative Officer will notify the registrar, financial aid office, instructors and all other required offices of the change. The student's clock hours for the transfer will be calculated by the school's director and documented in the student's permanent file. The student will receive a copy of the final program schedule, graduation amendment, and any other pertinent documentation.

File Sharing

MT Training Center strictly prohibits the practice of sharing copyright protected files without authorization; this includes electronic and printed media.

Copyright Infringement and Violations

Copyright infringement is a violation of Federal Law and subject to civil penalties and sanctions. It involves the act of reproducing or distributing a copyrighted work. In regard to file sharing, copyright infringement includes downloading or uploading parts or the whole of a copyrighted work without permission of the author.

Penalties for copyright infringement include civil and criminal penalties. Persons found liable for civil copyright infringement may be ordered to pay either actual damages or statutory damages to the amount not less than \$750 and not more than \$30,000 per infringement. Court and attorney's fees may also be incurred. *See Digital Millennium Copyright Act, Title 17, United States Code, Section 504, 505.* Criminal penalties may also be incurred, including possible imprisonment of up to five (5) years and fines of up to \$250,000 per offense.

MTTC posts its Copyright Infringement Policy and Violation Penalties. The School will immediately investigate notices of alleged copyright infringement under the Digital Millennium Copyright Act, Title 17, United States Code, Section 512. The DMCA offers copyright holders legal protection of their entitlement to the reproduction and distribution of copyrighted material and governs the copying or other means of reproduction of copyrighted material occurring on computers, web pages or servers. This includes, but is not limited to software, music, movies, peer-to-peer file sharing applications, photos or any other copyrighted document or file that can be conveyed electronically. As such, MTTC shall terminate all computer access to any student found to have violated any copyright violations and report such events to the proper authorities.

Prior to alleging an infringement has occurred, consulting with the United States Copyright Office at <http://www.copyright.gov/> will help determine whether or not such a violation has occurred. If, after doing such, it is determined that a copyright infringement has indeed taken place, then MTTC will follow the procedures outlined in the Digital Millennium Copyright Act with regard to appropriate notifications of the user and the complaining party, acceptance of counter notifications and, where indicated, put back of the alleged infringing material.

Copyright infringement claims may be referred to:

MT Training Center

Attn: Melissa Cuellar, Chief Executive Officer

Main: 972-262-5395

Fax: 972-606-2563

Email: mcuellar@mttrainingcenter.edu

Prohibited Use

Students, staff, and faculty members are expected to adhere to the School's policy on computer usage and Internet access. The following uses of school computer equipment are expressly prohibited by MT Training Center:

- Disclaimer of liability of use of Internet: The School is not responsible for material viewed or downloaded from the Internet by users. Users are cautioned from visiting sites that may contain offensive, sexually explicit, and inappropriate material. Users accessing the Internet do so at their own risk.
- Setting up a user password on the computer equipment or a software program, which will deny other user's access to the equipment or software.
- Installation or adding of software or programs without the expressed consent of the Director.
- Engaging in non-training related activities, specifically computer games and social media sites. Games or other entertainment software, including wallpaper and screen savers, is prohibited.
- The viewing or e-mailing of any content which contains violence, pornography, gambling, or any racial, ethnic, or religious hate speech or pictures.
- Material that is fraudulent, harassing, embarrassing, sexually explicit, profane, obscene, intimidating, defamatory, unlawful, inappropriate, offensive (including offensive material concerning sex, race, color, national origin, religion, age, disability, or other characteristic protected by law), or in violation of the Company's equal employment opportunity policy and its policies against sexual or other harassment may not be downloaded from the Internet or displayed or stored in School's computers. Students, staff, and faculty members encountering, witnessing or receiving

this kind of material should immediately report the incident to the Director. The School's equal employment opportunity policy and its policies against sexual or other harassment apply fully to the use of the Internet and any violation of those policies is grounds for discipline up to and including termination.

- Students, staff, and faculty members may not illegally copy material protected under copyright laws or make that material available to others for copying. Copyright laws and applicable licenses apply to all software, files, graphics, documents, messages, and other materials. Students, staff, and faculty members may not agree to a license or registration agreement for material(s) which a fee is required without expressed written permission of the director.
- Students, staff, and faculty members may not send unsolicited email(s) to persons with whom they do not have a prior relationship without the expressed permission of the director.

No expectation of privacy: Computers, computer accounts, and equipment used by students, staff, and faculty members are the exclusive property of the MTTC. No individual shall have any expectation of privacy in any communication over the School's network. The network is to be used solely for school-related business and is not to be used for personal business or pleasure.

MT Training Center reserves the right to monitor, intercept and/or review all data transmitted, received or downloaded over the School's network. Any individual who is given access to the network is hereby given notice that the School will exercise this right periodically, without prior notice and without the prior consent of the user. The School's interests in monitoring and intercepting data include but are not limited to: protection of School proprietary and classified data; managing the use of the School's computer network; preventing the transmission or receipt of inappropriate materials by individuals; and/or assisting the students, staff, and faculty members in the management of electronic data during periods of absence. *No individual shall interpret the use of password protection as creating a right or expectation of privacy, or any expectation of privacy with regards to the receipt, transmission, or storage of data on the Company's computers or network.*

Penalties and Disciplinary Actions

MTTC's System Administrator may suspend a student's access privileges for as long as necessary in order to protect the School's computing resources. If the System Administrator believes that this policy has been violated, the System Administrator may refer the matter to the School's Director or the appropriate Federal or State authorities. Any violation of this policy is considered "misconduct" under the MTTC student conduct code. Violations should be reported as provided in that code. If the violation occurs during a regularly scheduled computer laboratory class, the violator will receive an "O" for the daily lab grade.

Sanctions for violations of this policy may include revocation or suspension of access privileges in addition to any other action permitted under the student conduct code. Violations of Law may also be referred for criminal or civil prosecution. The penalties for such violations range from a Class B misdemeanor to a third-degree felony.

CRIME STATISTICS

The following statistics are provided for your information in compliance with the Jeanne Clery Disclosure of Campus Security Act and Campus Crime Statistics Act. MT Training Center compiles the crime statistic policies annually by gathering all reported data and prepares the report for the employees and students. The report consists of the three most recently completed calendar year statistics. Moreover, local police agencies are contacted by the School’s Director to maintain a working relationship and formulate statistics for the annual crime statistics report. Set forth in the first box below are statistics available to the Institution concerning the occurrence on the Institution’s campus which was reported to local police agencies. The second box below sets forth available statistics concerning the number of criminal offenses in relation to hate crimes on the Institution’s campus, non-campus building and property, and public property. Finally, in the third box arrests and “referrals for campus disciplinary action” for liquor law violations, drug law violations, and illegal weapons possession are listed. Victims or witnesses may report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

The following statistics are provided for your information in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Set forth below are statistics available to the Institution concerning the occurrence of criminal offenses in the listed categories which were reported to campus authorities or local police agencies.

Campus Crime Statistics

CALENDAR YEAR								
	2019		2020			2021

**On public property within or immediately adjacent to campus.*

***In or on non-campus buildings or property that your institution owns or controls.*

Drug and Alcohol Policy Standards of Conduct

The possession and consumption of alcoholic beverages on campus, which includes public places or common areas is prohibited. The definition of public or common areas includes, but is not limited to, any outdoor areas, parking lot, vehicles, lawn, stairway, or sidewalk which is part of the property controlled by MT Training Center.

Disciplinary Action

In addition to the imposition of disciplinary actions under MTTC’s policies and/or procedures, including the suspension or termination from MTTC for such acts, students, staff, and faculty members may face prosecution under Federal or State Law.

Upon written request, MT Training Center will disclose to the alleged victim of any crime of violence or a nonforcible sex offense, the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offense, the information shall be provided, upon request, to the next of kin of the alleged victim.

MTTC provides information regarding drug and alcohol counseling, treatment, and rehabilitation programs for students, staff and faculty members.

Health Risk Pertaining to Substance Abuse

Numerous health related issues are associated with the illicit use of drugs and alcohol. Among them are sleep disturbance, psychiatric problems, organ failure or disease, immunodeficiency, nutritional syndromes, and diabetes.

HEALTH AND SAFETY

Drug and Alcohol Prevention

MT Training Center complies with the Federal Drug Free Schools and Communities Act Amendment of 1989 and the Drug Free Work Place Act of 1988. The policy of this institution is to provide information annually to its students and employees to help prevent drug and alcohol abuse. This information includes a description of various health risks of drug and alcohol abuse, a list of counseling/treatment centers, and penalties for drug and alcohol abuse

Distribution of drug and alcohol abuse prevention information may be given through discussion, direction to drug and alcohol abuse facilities, or the distribution of printed materials.

The institution conducts a biennial review of its drug and alcohol prevention program and materials to ensure not only federal regulation compliance, but also the effectiveness of the materials and methods presented. In addition, the review contains a determination of any drug or alcohol related accidents and/or injuries as a result of violations and determinations of preventative measures.

MT Training Center’s Drug and Alcohol Policy Standards of Conduct

This policy is defined by the following:

- The illegal possession or use of alcohol, drugs, or chemicals on any property under the control of MT Training Center is expressly prohibited.
- Alcoholic beverages on the MT Training Center Campus are forbidden.
- These standards of conduct apply to all students, staff, faculty members and guests of MT Training Center.
- Should any complaint or suspicion arise pertaining to a student, staff, or faculty member regarding possible violation of policy, the individual may be required to submit to immediate advising and/or drug testing. Any violation of policy is subject to disciplinary actions and possible termination.

All members of the MT Training Center community should, at all times, be cognizant of and compliant with State and Local Laws.

The possession and consumption of alcoholic beverages on campus, which includes public places or common areas is prohibited. The definition of public or common areas includes, but is not limited to, any outdoor areas, parking lot, vehicles, lawn, stairway, or sidewalk which is part of the property controlled by MT Training Center.

Disciplinary Action

In addition to the imposition of disciplinary actions under MTTC’s policies and/or procedures, including the suspension or termination from MTTC for such acts, students, staff, and faculty members may face prosecution under Federal or State Law. For more information please go to: www.tabc.state.tx.us/help/general.htm.

400 grams or more	Enhanced first degree felony	10 to 99 years in state prison and/or \$100,000 fine

Drug and Alcohol Treatment Programs Resources

MTTC provides information regarding drug and alcohol counseling, treatment, and rehabilitation programs for students, staff and faculty members.

Health Risk Pertaining to Substance Abuse

Numerous health-related issues are associated with the illicit use of drugs and alcohol. Among them are sleep disturbance, psychiatric problems, organ failure or disease, immunodeficiency, nutritional syndromes, and diabetes.

Notice of Federal Student Financial Aid Penalties for Drug Law Violations

Students who have been convicted of possession and/or sale of illegal substances must disclose this information while completing their Free Application for Federal Student Aid – FAFSA and shall be prohibited from receiving Federal Student Aid. *HEA Sec. 484(r)(1); (20 U.S.C. 109(r)(1).*

Distribution of Materials

Each enrolled student of MTTC is issued copies of the *MT Training Center Student Handbook*, the *MT Training Center Student Drug Free School Policy Handout*, and the *MT Training Center Campus Crime Reporting Handbook* along with other necessary documents. Each staff and faculty member of MTTC is issued copies of the *Employee Handbook*, *MT Training Center Student Drug Free School Policy Handout*, and the *MT Training Center Campus Crime Reporting Handbook*. Additionally, copies of this information are duplicated and may be found available at any time in the Admission Office.

Vaccination Policy

MT Training Center does not require vaccination for admission into any of our programs. If you are interested in getting more information about vaccinations, please contact your healthcare provider or:

Texas Department of State Health Services, Immunizations Branch

P.O. Box 149347

Austin, Texas 78714-9347

Security Report (Including Emergency Response and Evacuation Procedures), Timely Warning, and Crime Log

MT Training Center strictly maintains and enforces the safety and security of its students, staff, faculty, and guests. MTTC complies with safety and security guideline as requested and suggested by the Crime Awareness and Security Act of 1990; The U.S. Department of Education; State and Local Laws and local law enforcement agencies; and various publications. *Department of Education "The Handbook for Campus Crime Reporting; SOC-Security on Campus Clery Act Training Reference Guide Copyright ©2009 Security on Campus, Inc.*

Campus Security Policy

MT Training Center strictly forbids the possession of firearms or other weapons on school property or during school field trips. Additionally, MTTC has a zero-tolerance policy regarding immoral conduct and enforces campus safety and security regulations and school rules; verbal, sexual or physical harassment of a fellow student and/or staff or faculty member; threat of physical violence against a fellow student, staff, or faculty member. Security information is published and made available to the campus population via campus publications.

Emergency Response Process

In the event of an emergency or immediate or perceived threat toward an employee(s) or immediate or perceived threat toward any other person on the school's premises, the Chief Administrative Officer or the director will notify the campus population of the emergency. The school will utilize the practice of a Timely Warning and communicate the threat, hazard, or crime to the campus population and the larger civilian community as set forth by the standards of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act as mandated by the United States Department of Education.

The Chief Administrative Officer or the Director are responsible for consulting on a case-by-case basis of when an incident happens and issuing an emergency notification alert in a "timely manner". The Chief Administrative Officer will have the primary responsibility for initiating the alert. Notifications will contain information that promotes safety and allows individuals to protect themselves, and will contain the time, location and type of crime. Status updates and the resolution will be provided as deemed necessary.

The warning will be issued through the MT Training Center's emergency notification system (Call'Em All) emergency SMS – mass text messaging system. The notification will be issued to students, faculty, staff and any other affected parties. Notifications will also be issued through other means deemed necessary for the situation. All warnings will be posted on the School's website at www.mttrainingcenter.org. Depending on the particular circumstances of the crime, bulletins may be posted at appropriate locations around

campus including bulletin boards, entrances to buildings and electronic media. All staff and faculty members have been trained on emergency procedures. 911 will be contacted if emergency response teams are needed.

In the event of inclement weather and School closure due to weather, students, staff, and faculty members are advised to call the School's main phone number for updates. In addition, School closures or delays will correspond to school closures for the Grand Prairie School Independent School District. School closures will also be broadcasted on WBZ Radio (1030AM), WBZ-TV (Channel 4), and WCVB-TV (Channel 5) between 6:30 am 8:30 a.m. Employees may also call (617) 552-INFO or access [Agora](#) for information about an emergency closing or early release.

Should an emergency or dangerous situation arise that may impact the health or safety of students and/or employees, adhere to the following guidelines:

- Fire evacuation: Exit the building in the event of a fire, follow signage to the nearest exit
- Tornado procedure: Seek shelter in the event of a tornado. Tornado shelter areas are marked throughout the facility.
- All other emergency situations: Refer to the school's administration.
- Emergency notices will be posted on the school's website at www.mttrainingcenter.org.

Reporting Crimes and Security Incidents

School officials work cohesively in securing the campus and its students, staff, faculty members, and guests through instruction and distribution of published materials.

Students, staff, and faculty members are encouraged to immediately report any crime activity or other emergencies occurring on the MTTC campus. Individuals reporting such incidents are required to complete a MT Training Center Campus Security Incident Report. All reports are kept on file.

Information for Crime Victims about Disciplinary Proceedings

In addition to the imposition of disciplinary actions under MTTC's policies and/or procedures, including the suspension or termination from MTTC for such acts, students, staff, and faculty members may face prosecution under Federal or State Law.

Upon written request, MT Training Center will disclose to the alleged victim of any crime of violence or a nonforcible sex offense, the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offense, the information shall be provided, upon request, to the next of kin of the alleged victim.

***New program, no Placement Rate available until after December 2019*

Type of Employment

MT Training Center prepares individuals for work in a variety of industries. Examples of employment include, but are not limited to:

1. Accounts Receivable Assistant
2. Administrator/Office Manager/Recruiter – Home Health Care
3. CNC Lathe Operator
4. CNC Machinist
5. CNC Mill Operator
6. CNC Programmers
7. CNC Turret Punch Press
8. Data Entry Specialist
9. Independent Business Owner/Medical Transcriptionist
10. Independent Business Owner/Truck driver (owner/operator)
11. Medical Insurance Liaison
12. Truck driver (Bobtail)
13. Truck driver (Hot Shot Driver)
14. Truck driver (OTR – Over the road)
15. Truck drivers (regional)
16. Welders/Fabricator
17. Welder/General Laborer

Placement Information

Upon graduation, the MT Training Center encourages graduates to keep us apprised of their employment. We survey past graduates throughout the year by phone, interview, and by mail to gather results which we submit to COE, the school's accrediting agency. The school makes this information available to prospective students.

Voter Registration

In compliance with the Federal Higher Education Act of 1965 (HEOA Sec. 493(a)(1) and HEA Sec. 487(a)(23) (20 U.S.C. 1094(a)(23); effective August 14, 2008, MT Training Center provides information on applying for voter registration cards for all enrolled students. All representatives of the School have

access to voter registration information. Registration application cards are accessible year-round and can be found in the Admissions Office and also in the break-room. You can also visit www.sos.state.tx.us for more information on voter registration online application.

National Student Loan Data System

Students, potential students, and parents of students that enter into an agreement regarding a Title IV, HEA loan(s) will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and schools determined to be authorized users of the data system. Students can also monitor their loan history. Visit www.nsls.ed.gov.

Student Borrowers' Responsibilities

Your guaranteed student loan is a serious obligation. It is important that you understand your rights and responsibilities involved in this transaction. Your responsibilities are summarized below:

- The student may be subject to prosecution under the provisions of the U.S. Criminal Code if he/she deliberately makes any false statements on his/her loan application or use the loan proceeds for purposes other than approved educational expenses.
- It is the obligation of the borrower to repay the full amount of the loan regardless of whether the borrower completes his/her program of study or completes within the regular time for completion, is unable to obtain employment upon completion, or is otherwise dissatisfied with or did not receive the educational or other services the borrower purchased from the school.
- The student must sign a Selective Service Registration Compliance Statement at the school he/she is attending.
- An independent student may borrow a total amount up to \$3,500 in subsidized loan and \$6,000 in unsubsidized loan for a first-year undergraduate study. Second year would be up to \$4,500 in subsidized loan and \$6,000 in unsubsidized loan. As a dependent student he/she may borrow a total amount up to \$3,500 in subsidized loan and \$2,000 in unsubsidized loan for a first-year undergraduate study. Second year would be \$4,500 subsidized and \$2,000 unsubsidized loan. These loan amounts may differ accordingly to the program of study.
- The student must return to his/her original lender to apply for additional loans.
- All borrowers, regardless of personal or family income, are subject to a Needs Analysis.
- The student's lender will deduct two non-refundable fees from the proceeds of his/her loan. These non-refundable fees are Federal Origination Fee.
- The student's signature on the application/promissory note establishes his/her personal responsibility for repayment of the loan.

- The student must, without exception, notify the lender if he/she fails to enroll or cease to be enrolled, transfers to another school, or change his/her enrollment status, name or permanent address.
- If the student's enrollment drops below half-time, the repayment schedule of his/her loans will be in effect. Half-time enrollment is defined as less than half the workload of the minimum full-time requirement.
- The student will have a grace period of 6 months after he/she ceases to be enrolled at an eligible institution before he/she must begin repayment.
- The student's payments may be made to other than the original lender if his/her loan(s) are sold to a secondary market.
- Borrowers of unsubsidized loans have the option of paying interest while in school.
- By making the scheduled loan repayments promptly, the student will establish a favorable credit rating, but if he/she fails to repay the loan as scheduled, he/she may seriously damage his/her credit rating and jeopardize his/her future ability to borrow and/or face default and legal action that is deemed necessary.
- The student can complete his/her entrance counseling at www.studentloans.gov.

Student Borrowers Entrance Counseling

The MT Training Center offers individual and group sessions of on-line Entrance Counseling at <https://www.studentloans.gov>. The Entrance counseling process helps the student to understand the loan process and to borrow more wisely. The Entrance Counseling focuses on:

1. Direct Loan Types
2. How to borrow wisely
3. To borrow Direct Subsidized Loans first before Direct Unsubsidized Loans
4. How they can use the Loan money
5. The Master Promissory Note
6. How the Loans will be disbursed
7. Direct Subsidized and Unsubsidized Loan Limits
8. Direct PLUS Loan Limits
9. Direct Subsidized Loan and Direct Unsubsidized Loan Interest Rates and Payment of Interest
10. Direct PLUS Loan Interest Rate and Payment of Interest
11. Loan Fees
12. Changes that must be reported
13. Repaying Direct Loans
14. Repayment Incentives
15. Interest Rate Reduction for Automatic Withdrawal of Payments
16. Up-front Interest Rebate
17. If you have Trouble Making Payments
18. Consequences if You Default
19. Consolidation
20. Conditions for canceling all or Part of Your Loan
21. National Student Loan Data System (NSLDS)
22. Keep your Loan Papers
23. Borrower's Rights and Responsibilities

During on-line Entrance Counseling, the Financial Aid Director is present to assist student(s) and to answer questions. Students are also provided with a Department of Education booklet, *Entrance Counseling Guide for Direct Loan Borrowers*. Upon completion, students are given the opportunity to print two copies of the Entrance Counseling confirmation page. One copy is placed in the students' Financial Aid file. The other copy is for the student to keep with their other Financial Aid/Direct Loan papers.

Entrance Counseling for First Time Borrowers

First time Direct Loan borrowers at MT Training Center receive entrance counseling. Students are advised to visit student loans on the web at <https://studentloans.gov>. The student will sign in with his/her pin number. The first selection after the sign in would be "Entrance Counseling". The student is also able to review the following areas:

1. Direct Loan Overview
2. What you need for Direct Loan
3. What to expect for Direct Loans

Once the student has completed the Entrance Counseling, they will be ready to apply for the direct loan for his/her Master Promissory Note (MPN).

For Parent Plus Loans

Once the parent has been approved for the Parent Plus loan, they must complete Entrance Counseling. This can be done at www.studentloans.gov. The parent enters his/her Pin number and selects "Entrance Counseling". The parent must complete the Parent Plus Loan Master Promissory Note.

The financial aid office will receive a copy of the Master Promissory Note and the entrance counseling for the student file. Each student and parent will receive information on regard to the Master Promissory Note, which will include the importance of repaying the loan, consequences of default and show the borrowers sample monthly repayment amounts.

Master Promissory Note (MPN)

After completing the Entrance Counseling, the student is directed to create a Direct Loan Subsidized/Unsubsidized Master Promissory Note (MPN) online at www.studentloans.gov.

A parent borrower must complete and sign a Direct PLUS Loan MPN before the School can make the first disbursement of a Direct PLUS Loan. Parent borrowers must complete and sign a separate MPN for each dependent student for whom they are borrowing.

It is MT Training Center's policy to have its PLUS borrowers to complete the Federal Direct PLUS Request for Supplemental Information (Direct PLUS Loan Request) via the StudentLoans.gov web site.

Request provides:

1. A credit check during the Direct PLUS Loan Request process.
2. After completing the Direct PLUS Loan Request, borrowers are given the opportunity to complete the Direct PLUS Loan MPN.
3. An applicant who is determined to have adverse credit history after completing a Direct PLUS Loan Request may have an endorser complete a Direct PLUS Loan Endorser Addendum electronically, initiate the process of appealing the determination of adverse credit, or indicate that he or she does not wish to continue to pursuing a Direct PLUS Loan.

The MPN is a legal document in which the student or the parent in the case of the Direct PLUS Loan promises to repay their loan(s) and any accrued interest and fees to the Department. It also explains the terms and conditions of the loan(s). In most cases, once submitted and accepted, a Direct Subsidized/Unsubsidized MPN may be used for one or more academic years (up to 10 years). MT Training takes an active confirmation approach and will obtain prior written permission from a borrower to continue to apply loans to the MPN that is currently accepted and on file at COD.

After completing or updating their MPN, the student and/or parent for Direct PLUS Loan prints two copies. One copy is given to the school to be placed in their individual Financial Aid file and the other copy is for the student/parent to keep.

Exit Counseling for Student Borrowers

Prior to graduation or withdrawal from MT Training Center, all students who have received a Direct Subsidized, and/or Direct Unsubsidized loan must complete Exit Counseling. Students must complete Exit Counseling online at www.StudentLoans.gov and/or “Exit Counseling Guide for Federal Student Loan Borrowers” from the Department of Education. The online Exit Counseling takes approximately 45 minutes to complete. If the student selects the online Exit Counseling must complete the counseling in a single session.

The student must read and complete the “Exit Counseling Guide for Student Loan Borrowers”. Pages 19-22 must be filled out and returned to the Financial Office. Before completing the Exit Counseling, the student must provide the name, address, e-mail address, and telephone number for their next of kin, two references who live in the U. S., and their current expected employer (if known).

The Exit Counseling is divided into 5 parts:

1. Understand Your Loans – includes the actual balances of the student’s loans and explains loan basics and things they need to know.
2. Plan to Repay – provides repayment options and shows what the student’s monthly payment will be for each option.
3. Avoid Default – explains how to avoid default and explains deferment and Forbearance options to assist during difficult times also loan consolidation advantages.
4. Make finances a Priority – Helps the borrower to plan, save and spend wisely, how to calculate Educational Tax Incentives and the effect of their payment status on their credit rating.
5. Repayment Information – Provides a comparison of available repayment plans.

The student is provided with a copy of their Borrower’s Rights and Responsibilities. When the Exit Counseling is completed, the MT Training Center will be notified of the counseling completion and have proof for the student’s financial aid file.

Students who unofficially withdraw

If a student drops out without officially withdrawing, the MT Training Center will make every attempt to contact him/her to complete the Exit Counseling in person or online. If the student fails to come in within twenty-five (25) days after withdrawing, a letter will be sent to them that includes the “Federal Student Aid Exit Counseling Guide for Federal Student Loan Borrowers” along with instructions on how to complete the Exit Counseling.

After the student graduates or officially withdraws from school, it is the student's responsibility to adhere to the following regarding their loans. Each student is given the Exit Counseling Guide for Federal Student Loan Borrowers along with the following responsibility form:

Responsibility Form

As a part of their Exit Counseling the student will sign a Borrower's Rights and Responsibilities form which is located at the back of "Exit Counseling Guide for Federal Student Loan Borrowers". Each student will understand the following:

1. I understand that if I change my address or name, I must notify the Lender within 10 days.
2. I understand that if I meet certain requirements, I have the right to defer payments on my loan(s). These deferment provisions are set forth under the section titled Deferment in my Promissory Note. I understand that if default on my loans(s), I lose these rights
3. I understand that if I am temporarily unable to make payments, I may request my lender to grant me a forbearance which can be:
 - A short period of time in which I make no payments, or
 - A longer period of time for making payments, or
 - A different repayment schedule than was first given to me.
4. I know that it is up to the Lender whether to grant this request and I recognize the importance of requesting forbearance before my payments are overdue.
5. I understand that if I borrowed student loans from more than one lender, I can explore loan consolidation or refinancing.
6. I acknowledge that all of the material covered on this acknowledgement for was explained to me. I know that I am responsible for repaying my student loans and may go online to:

The student may obtain additional information regarding Exit Counseling at www.ed.gov/offices/OAFAP/Directloan/student.

Code of Conduct for Education Loans

MT Training Center adheres to the Higher Education Opportunity Act (HEOA) which sets forth a code of conduct required by all institutions that receive Title IV, HEA program funds. The following Code of Conduct applies to all staff member, faculty, employees, and agents of the school.

Revenue Sharing: Neither MT Training Center, nor any of its officers, employees, or agents will enter into revenue-sharing arrangements with any lender or servicer which is defined by the Higher Education Opportunity Act of 2008, amending the Higher Education Act of 1965, Pub. L #110-315 (2008), (HEOA), which indicates that any arrangement between a school and a lender that results in the lender paying a fee or other benefits, including a share of its profits to the school or its officers, employees or agents, as a result of the institution recommending a lender to its students or families of those students is strictly forbidden.

Gifts: Any financial Aid Officer (or employees who otherwise have responsibilities with respect to education loans or financial aid) will not accept gifts from any lender, guaranty agency or loan servicer. This prohibition is not limited just to those providers of Title IV loans but included lenders of private education loans as well. The law does provide for exceptions to specific types of activities or literature including:

- Brochures or training material related to default aversion of financial literacy.
- Food, training or informational material which is a part of training, as long as that training contributes to the professional development of those individuals attending the training.

- Entrance and Exit counseling as long as the institution's staff are in control and they do not promote the serves of a specific lender.
- Philanthropic contribution from a lender, guarantee agency or loan servicer unrelated to education loans.

Advisory Board Compensation: Employees of the institution shall not receive anything of value from a lender, guarantor, or group in exchange for serving on an advisory board. Institution employees, may accept reimbursement for reasonable expenses incurred while serving in this capacity.

Sanctions: Employees that violate this Code of Conduct will be disciplined in a manner consistent with the institutional policies and procedures. Disciplinary action may include termination of employment.

ADDITIONAL POLICIES AND PROCEDURES

Recognition of Constitution and Citizenship Day

In 2004, Congress passes a provision that every school and college that receives federal funding must teach students about the Constitution of the United States of America each year on September 17, the day this historical document was adopted in 1787. Instructors are required to provide creative activities and instruction with class participation or a campus-wide presentation to commensurate this historic document.

Scheduled Breaks

New Year's Break

Martin Luther King's Birthday

Spring Break:

Cinco de Mayo

Memorial Day

Independence Day

Summer Break:

Labor Day

Thanksgiving Holiday

Christmas Holiday

Misrepresentation

All representatives of MT Training Center are sufficiently trained in their prospective areas of expertise to uphold the Vision, Mission, and Philosophy of the School. MTTC maintains its policy of not providing false, erroneous, or misleading statements, whether communicated verbally or in writing to encourage student enrollment or concerning the nature of its educational programs. In addition, MTTC does not provide false, erroneous, or misleading statements verbally or in writing concerning the employability of its graduates. Furthermore, the Financial Aid Administrator or any representative of MTTC is strictly prohibited from expressing Federal Student Aid eligibility to entice enrollment.

Open Door Policy

The School maintains an "open door" policy so that all students have the right to discuss matters directly with any member of the staff/faculty he/she selects. Generally, complaints or suggestions may be discussed with the instructor or Chief Administrative Officer. We recognize and value student's suggestions and note that often they may find their way into actual practice. If satisfactory action is not taken, you should discuss

the matter with the Chief Administrative Officer. If still not satisfied, a formal complaint/grievance can be filed.

Complaints/Grievances

A grievance may be a complaint, grievance, an appeal against assessment results, problem of equitable treatment and/or an appeal against disciplinary action.

Before making a formal grievance, the student should ask for verbal clarification of the issue. This does not lessen his or her right in any way to make a formal grievance. Grievance/Complaint forms can be obtained from the Director. A formal grievance will be handled based on a formal written presentation of the complaint to the Director. The written complaint will be entered in the MT Training Center's complaints/grievances register and a copy of the written complaint filed.

A complaint is a statement expressing dissatisfaction with service supplied by or dealings with MT Training Center. We will respond to complaints promptly with minimum distress and maximum protection to all parties.

We are committed to:

- Transparency in decision making
- Ethical and responsible management
- An accessible and fair complaints process

If the complaint is substantiated, MT Training Center will take prompt action to rectify the problem immediately and any action will be documented.

If you experience a situation that causes you serious concern or distress, we have established the following procedure:

Step 1: If possible, contact the administrator responsible for the service for which you have the grievance against. Explain the grievance and try to resolve the problem.

Step 2: If no acceptable resolution can be reached, you should fill out a written description with all details and persons involved and submit it to the Chief Administrative Officer or Director. Your complaint will be assessed, and you will be contacted in an attempt to resolve the complaint.

Step 3: If an acceptable resolution cannot be reached, an arrangement will be made for the appeal to be heard by an independent arbitrator.

All complaints/grievances will be handled regarding confidentiality, impartiality, protection from victimization and procedural fairness and will be recorded in writing. If the Chief Administrative Officer and student fail to reach a reasonable solution, the student may direct unresolved grievances to: Proprietary Schools Section, Texas Workforce Commission Career Schools and Colleges Division, 101 E 15th Street, Austin, Texas 78778-0001. Telephone Number: (512) 936-3100. You may also contact the Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, Georgia, 30350. Telephone Number: (770) 396-3898. www.council.org.

Reporting Foreign Gifts

It is the policy of MT Training Center no to receive gifts from foreign entities.

Preparatory Program for students without a High School Diploma or GED

MT Training Center offers GED Preparatory classes for students that do not have a high school diploma or home-school diploma. For more information, please contact a school representative.

Validating High School Diploma Procedures

The Department of Education does not require schools to check the high school data for every student against other information obtained by the student's school during admissions. If the Department of Education or MT Training Center has reason to believe that the high school diploma presented to the school for admission purposes is not valid, was not obtained from an entity that provides secondary school education, has reasons to believe the high school diploma is dubious, e.g., the school knows a student bought the diploma or transcript and was required to perform little or not work; the school must validate the diploma. The registrar will review the diploma, GED, or transcript to determine its validity.

Acceptable documentation for checking the validity of a student's high school completion can include the diploma and a final transcript that shows all the courses he/she took. For student who completed their secondary schooling outside the United States, comparable documents can help, as can the services of companies that determine the validity of foreign secondary school credentials. Another resource is the state department of education in which the high school is located, if that department has jurisdiction over the high school.

MT Training Center reserves the right to have any diploma or transcript translated and/or subjects evaluated by an independent source. Any fees associated with such a service shall be the responsibility of the student.

FINANCIAL AID WEBSITES FOR FEDERAL STUDENT AID INFORMATION

To learn more about FSA, visit www.studentaid.ed.gov

Prior to applying for FSA, students must create a FSA user id by going to www.fsa.ed.gov.
